GEN. & REV. SECTT. JULY 1940 AGTL. & FOREST BRANCH.

The Secretary to Government,
Development Department, Bangalore.

SIR,

With reference to Government Order No.A.F.3400-414/ P.& S.5-39-63, dated 10th January 1940, approving of the proposal to charge for all matter received from Paying departments for publication in the Gazette, I have the honour to state that it is desirable to fix the rates for publication -- uniformly for all paying departments and Local bodies, the existing line account rates of 12 annas per line for first insertion, 9 annas per line for second insertion and 6 annas per line for third and subsequent insertions sanctioned in para 3 of Government Order No.G.2915-6/P.& S.44-25-2, dated 13th September 1926, being limited only to purely private advertisements. In the case of Municipalities and Local Boards, line account is being charged up to quarter of a page and when the matter exceeds quarter of a page /job cost rates are adopted as per Government Order No.G.23611-75/P.& S.79-18-2, dated 15th April 1919. The rates charged to local bodies were enhanced by 50 per cent all round including job cost rates in Government Order No.G.3167-88/P.& S.7430-12, dated 14th October 1931.

In order to facilitate the preparation of bills to be sent to all paying departments including Municipalities and Local bodies, I am of opinion that a uniform rate for publication of all solid matter 11 point type may be fixed on the basis of the rates sanctioned in the Government order of 14th October 1931 referred to above.

8

The rates arrived at on this basis in round figures are as follows:-

Publication charges.

	Up to quarter of a page.	Above quarter of a page and up to half a page.	Above half a page and up to ¾ of a page.	For a full page.
ENGLISH GAZETTE ..	Rs. a. p. 2 0 0	Rs. a. p. 4 0 0	Rs. a. p. 6 0 0	Rs. a. p. 8 0 0
KANNADA GAZETTE ..	1 4 0	2 8 0	3 12 0	5 0 0

The rates for tabular and extract matter published in the Gazette will be increased in proportion as fixed in the standard rates for piecework compositors.

	¼ page - ½ page.	¾ and 1 page.
Rates for supply/spare copies of up to 100 irrespective of solid or tabular matter.	Rs. a. p. 0 12 0	Rs. a. p. 0 14 0

I, therefore request that for solid matter the four kinds of rates referred to above for the English and Kannada Gazettes and charges for spare copies may be sanctioned, so that bills may be sent accordingly, without the necessity for valuation in each individual case.

I request the favour of early orders.

I have the honour to be,

Sir,

Your most obedient servant,

P&S 5-40-20

Sir,

With reference to your letter No.A.F.1427/P&S 5-40-7, dated 11-9-1940, requesting that the rates now being charged for publication in the Gazette of matter received from Paying Departments and Local bodies and those proposed hereafter may be given in juxta position, I have the honour to submit herewith a comparative statement showing the details of rates at which the publications of the above notifications are now being charged and also those now proposed as desired in your above letter.

At present a discrepancy is observed in the rates. For quarter of a page Rs. 12-12-0 is charged for the English notification and Rs. 12-0-0 for a Kannada notification of the same size but the rates for matter above quarter page upto one page will be very much

less as seen from the statement. The proposed rates are uniform and proportinate to the size of the matter published. Thus by adopting the new rates, the discrepancy referred to above will be obviated.

Further every time a notification from Paying Department is published, it has to be valued for purposes of preparing the bill. But if four different rates are fixed as now proposed, the necessity for valuation of each notification ceases and much clerical labour will be saved.

I, therefore, beg to submit that the rates now proposed are uniform and reasonable and will facilitate the submission of bills to Paying Departments soon after the publication of the notifications in the Gazette.

SIR,

SUBJECT:--Payment of charges for the publications in the Mysore Gazette of all matters received from the Paying Departments and Local Bodies.

--:O O:--

With reference to your letter No.A.F.4148/P & S 6-40-26, dated 19-12-1940, on the subject, I have the honour to report as follows:-

Government in para 3 of their order No.G.2915-6/P & S 44-25-2, dated 13-9-1926, have sanctioned that private advertisements received for publication in the Mysore Gazette should be charged on a line account basis as per details noted in the margin. These rates do not apply to (1) Notices by Civil Courts for application for certificates under Act VII, 1901, (2) Insolvency applications under section 12 of Act VII, 1911 (3) Notices issued by Revenue Officer for grant of duplicate copies of Patta and (4) advertisement of loss or distruction of promissary notes. For these items a fixed amount has to be recovered as detailed in paras 87 and 88 of the Press Manual.

First insertion	Annas 12/- per line.
Second	- do - 9/- -do-
Third and subsequent insertions.	Annas 6/- -do-

As per Government Orders Nos.G.2611-75/P & S 79-18-2, dated 15-4-1919 and G.3167-88/P & S 74-30-12, dated 14-10-1931, matters relating to Local Bodies (including Municipalities) intended to be

P.T.O.

published in the official gazette has to be charged up to quarter page on line account basis at the rates chargeable to private advertisements referred to in para one above, and for matters exceeding quarter page, the existing job cost rates enhanced by 50 per cent have to be charged by the Press and cost recovered by sending bills and this rule is being followed.

Government in their order No.A.F.3400-414/P & S 5-39-63, dated 10-1-1940, directed that all matters received from the Paying Departments for publication in the official gazette should be charged at the same rates as are now charged to Local Bodies from 1-7-1941 and cost recovered from them by sending bills.

The existing rates chargeable to Local Bodies and which may have to be charged to Paying Departments as per Government Order dated 10-1-1940 are given below:-

	Existing rates.	
	English.	Kannada.
up to ¼ page (17 lines)	12-12-0 (16 lines)	12-0-0
up to ½ page (34 lines) job cost rate (enhanced).	8- 0-0	4-0-0
up to ¾ page. (51) lines	10- 0-0	5-0-0
Full page. (68 lines)	11- 0-0	6-0-0

It is seen therefrom that a matter containing 15 lines if required to be published, will cost 11-12-0, where as a lengthy matter just above ¼ page has to be charged only Rs.8/-. Further each time when bills have to be prepared for being sent to Local Bodies and Paying Departments as per recent Government Order, the matter published in each weekly Gazette has to be taken up and valued, checked and bills prepared involving clerical labour and supervision. To avoid the descrepancy of charging large amount for short advertisements on line account basis and lesser amount for big advertisements of above ¼ page and also to avoid clerical labour and delay in preparing the bills the following proposals were submitted for sanction of Government in

17

in my letter No. G. 140, dated 17-7-1940.

Proposed rates for Local Bodies and Paying Departments only for each insertion in the Gazette.

	English	Kannada
Up to ¼ page	2- 0- 0	1- 0- 0
Above ¼ up to ½ page	4- 0- 0	2- 0- 0
Above ½ up to ¾ page	6- 0- 0	3-12- 0
Above ¾ up to 1 page	8- 0- 0	5- 0- 0

It is submitted for information of Government that the above rates proposed by me are calculated taking into account the cost of printing and normal charges of advertisement including overhead charges. They are not in my opinion low, nor the receipt under this head would fall considerably as anticipated owing to the revised rates, as under the revised rates, all matters less than quarter up to half, three-fourths and full page will be compensated by the gain in a matter occupying a line or two in excess of ¾ of a page. Besides, the indirect advantages gained under clerical labour, supervision and speedy despatch of bills will be more. It is not possible to estimate the financial effect if the revised rates are approved as advertisements received for publication in the Gazette are subject to large variations.

Bills for amount due from the Local Bodies and Paying Departments since 1st July 1940 have yet been prepared and sent for payment as no final orders are passed on my proposals.

I beg to request you to kindly sanction early the revised rates proposed in my letter dated 17-7-1940 referred to above.

that all matter received for publication in the Gazette from paying departments & spare copies printed & supplied to them be charged from 1.7.1941. To avoid the discrepancy of charging larger amount for short advertisements on line account basis and lesser amount for big advertisements of above ¼ page and also to avoid clerical labour and delay in preparing the bills, the Supdt. proposes that the marginally noted uniform rates may be charged for each insertion in the Gazette of all solid matter received from paying departments & Local bodies, that the rates for tabular & extract matter published in the Gazette may be increased in proportion as fixed

Government Order No.G.3167-88/P & S 74-30-12 dated 14th October 1931 sanctioning the enhancement of the rates for publication in the Mysore Gazette charges to local bodies by 50 per cent all round including job cost rates.

2. Government Order No.A.F.5400-414/P & S 5-37-63 dated 10th January 1940 directing that all matter received from paying departments for publication in the Gazette and the spare copies printed and supplied to them be charged from 1-7-1941, the bills of cost being sent for adjustment to the departments concerned.

3. Correspondence ending with letter No.G.870 dated 11th March 1941 from the Superintendent, Government Printing and the Compiler, Mysore Gazette, submitting for orders the proposal for charging ~~information~~ uniform rates for all matters received for publication in the Gazette from paying departments and local bodies and also for spare copies printed and supplied to them.

Order No. **A3 7188-273 P/S 5-4-39**

Dated, Bangalore the 12* April 1941.

Under the Government Order dated 14th October 1931 read above, if the matter published in Gazette on behalf of Local Bodies is within a quarter of a page, it is charged on line account basis at 12 annas per line for the first insertion,

by 50 per cent as noted in the margin is charged. In the second of the Government Orders read above, it was directed that all matters received for publication in the Gazette from paying departments and spare copies printed and supplied to them be charged from 1-7-1941. The cost on this account in both the above cases was ordered to be recovered by sending bills for adjustment to the departments concerned. To avoid the discrepancy of charging larger amount for short advertisements on line account basis and lesser amount for big advertisements of above 1/4 page and also to avoid clerical labour and delay in preparing the bills, the Superintendent proposes that the marginally noted uniform rates may be charged for each insertion in the Gazette of all solid matter received from paying departments and local bodies, that the rates for tabular and extract matter published in the Gazette may be increased in proportion as fixed in the standard rates for piece work compositors. He adds that for supply of spare copies up to 100 irrespective of solid or tabular matter, 12 annas may be charged from ¼ page to ½ page and 14 annas from ½ page to 1 page.

Above ¾ page up to 1 page.....	" 8-0-0	" 5-0-0

Government are pleased to sanction the above revised rates proposed by the Superintendent, tentatively for a year. The Superintendent is requested to submit to Government a report as to the financial effect of his proposals at the end of the year for consideration of the question of the continuance or otherwise of the revised rates.
